

## **ESL classes on the Internet!**

\$25 fee

### Intermediate (Level 3-6, ABE 4) ENGLISH AS A SECOND LANGUAGE (ESL)

Would you like to improve your vocabulary, grammar and writing?  
Is it difficult to take a regular ESL class because you are too busy?  
Are you looking for a fun, convenient way to study?  
Online classes might be right for you!

An experienced ESL teacher oversees class work & interacts with students on the Internet & telephone. You will study six to eight hours each week for 11 weeks, and you can do your coursework at any time during the day or night.

To take this class, you must know how to use a computer & have access to Internet service. You may study at home, the library, or any other location, including one of our computer labs on Monroe St. or Market St. in Spokane.
